SHELVES

Look at the shelf below. Your partner will tell you about the things on the shelf. Draw or label the items in the correct place. Listen carefully and good luck!

Student A:

This is a shelf in my room.
There are three books on the top shelf, on the left. To the right of the books is a plant. Above the plant, on top of the bookshelf is an old bottle. On the bottom shelf there are two small boxes on the left and a photo album on the right. There is a radio in the middle of the second shelf from the bottom with CDs on both sides. The second shelf from the top has a stuffed cat in the middle. The radio is directly under the cat.

Student B:

This is a shelf in my room.
There is a row of books on the top shelf. The books on the left are standing up. The books on the right are laying down. On the shelf below that, there are some magazines. The bottom shelf is empty except for a small box on the left hand side. Above the box there is a picture of a boat. On the shelf with the picture of the boat, there is a can of paint on the right. There is a music box between it and the picture.
